OUR STORY

Built on love, carried forward

Callum's story is at the heart of everything we do.

Throughout his life, our family was committed to giving him the greatest possible comfort, independence, and quality of life.

As his needs changed, so did the support he needed. Equipment, home adaptations, therapies, and everyday care helped him find joy, engage with the world around him, and live fully in the home he loved.

Today, we carry that love forward through our Callum Cares Kids and their families.

What we once did for Callum, we now have the privilege to do for others.

In loving memory of Callum Trevor Murphy
February 9, 2021 – December 24, 2025

OUR PURPOSE

Comfort. Safety. Inclusion. Quality of life.

Our mission

Callum Cares Foundation supports medically complex children and the families who care for them by helping address unmet needs that affect their comfort, safety, inclusion, and quality of life.

Support as needs change

Caring for Callum taught us that support takes many forms. Adaptive equipment and home adaptations can make everyday care more comfortable. Therapies and accessibility resources can help children participate more fully in their homes and communities.

Our work begins with the children and families at the heart of Callum Cares, listening to their needs and building relationships as they grow.
